SUNDAYS FROM 3:00-3:45 PM

This program is designed for kids between the ages of 4-6 years old.

The program will teach the very basics of hockey in a non-competitive atmosphere.

The program will include 30 minutes of instruction and 15 minutes of scrimmage time.

BENEFITS OF CROSS ICE HOCKEY

PRACTICING

- Group sizes become smaller which means learning and teaching will become more effective.
- Drills designed according to the varying skill levels of players within the group are easier to organize.
- More puck contact resulting in improved puck control skills.
- More repetition in drills in one ice session.

GENERAL SPIRIT OF PARTICIPATION AND FUN

- More children get a chance to play ice hockey.
- More children will experience a feeling of success when playing hockey.
- The same exciting and fun environment as in a "real" game is created.
- Both more and less gifted children will benefit from close/tight action on the ice.
- Children are excited and motivated to continue playing hockey.
- Hockey will be more appealing and rewarding to a wider range of children and their parents.
