

The 12th Annual FLORIDA INTERNATIONAL HOLIDAY INVITATIONAL 2011 is located at GERMAIN Arena in Estero, Florida. GERMAIN Arena is located directly between Ft. Myers and Naples, in beautiful Southwest Florida. The facility has three ice rinks, one seating 7,100 for the ECHL Florida Everblades. The facility is thirteen years in existence. Overlooking the arena is Breakaways Sports Pub, which allows you to eat while watching tournament play.

At the same time and in the same facility as the FLORIDA INTERNATIONAL HOLIDAY INVITATIONAL the NCAA Division I FLORIDA COLLEGE CLASSIC will take place. Teams include Maine, Cornell, UMass Amherst, and Clarkson. The College tournament is December 29 & 30. Tickets are available for the youth teams and are included in the price of the tournament!

The FLORIDA INTERNATIONAL HOLIDAY INVITATIONAL is for teams that are looking for the best competition possible. This tournament has Mite – Midget Major A & AA levels. This tournament has featured 84 teams making it the largest ever in the Southeast District. Having a 4 game guarantee makes the trip worth it. The tournament markets for out of state teams. The winners of the tournament receive an automatic invitation next year to defend the trophy.

Southwest Florida's beaches are fifteen minutes from the rink. The hotels are within ten minutes of the arena and the beach. The Southwest Florida International Airport is two exits from the arena. The arena is located along side of highway I-75. Next to the arena is Florida's largest outlet mall the Miramar Outlets. Airboat trips in the Everglades or Fishing Charters can be taken in during your time off between games. And of course golfing is nearby.

The FLORIDA INTERNATIONAL HOLIDAY INVITATIONAL is December 27 – 31. Mite, Squirt, and Pee wee divisions will be December 27 – 29. Bantam, Midget Minor, and Midget Major will be December 29 – 31. Teams must have home and away jerseys, one light and one dark. The tournament will be played with USA Hockey rules. You must submit an USA Hockey Roster signed by your local USA Hockey Registrar at the tournament registration table before playing the first game. Canadian teams must submit a signed roster from their local affiliate. Unfortunately special scheduling request can not be accepted. The tournament sold out by October 1st last year. The only way to guarantee your spot is by sending in the registration form with full payment.

Do not delay!

Congratulations for being selected as possible tournament participants.

Thank you,

Dave Kessel

TOURNAMENT RULES

The schedule and rules that are posted at the tournament are official and final.

The tournament games will be played under USAH Rules.

Each team must provide a signed copy of its USAH Official Roster from their local registrar.

Each team is required to put a representative in their respective penalty box.

The schedule and rules will be distributed to all team managers prior to the tournament.

Tier 1 AAA registered players are not allowed to be rostered on a Tier 2 A or AA team that is playing within that players same age division. They can be rostered on a Tier 2 A or AA team if that player is playing up a division from the players age division.

Tier 2 AA registered players are not allowed to be rostered on a Tier 2 A team that is playing within that players same age division. They can be rostered on a Tier 2 A team if that player is playing up a division from the players age division.

Tournament Rosters may be submitted but are limited to no more than 2 additional players. Team submitting an Official Tournament Roster must also submit their most recent Official Regular Season Roster.

Game Times:

Mite – Pee wee are scheduled for 3 periods of 12 minute stop time.

Bantam – Midget are scheduled for 3 periods of 15 minute stop time.

There will be a 3 – minute warm up and a 1 – minute break between periods. 1 time out is allowed.

All games are played until someone wins; sudden death over time for all games.

The clock will be running time when the score differential is 5 goals.

Once the score differential is 4 and under the clock will go back to stop time.

Teams can not get more than 5 goals for or against in standings.

The clock will be running time when teams combine for 20 penalties in a game.

There will be no running time in Quarter Finals, Semi Finals, and Finals.

Teams must be ready to play 30 minutes before game time. The first game each day is exempt from this rule. If the ice is available, the scheduled game will begin early. If a team does not have enough players to start a game, the clock will run and a goal will be assessed against that team every 2 minutes. If the team is still not ready by the end of the first period, the game will be scored a forfeit. The score for a forfeit will be recorded as a 1-0 win to the non-offending team. It is the responsibility of a team representative to notify their team if the game is going to start early. That can be determined by how much time is left in the game before compared to your scheduled start time. Or ask a tournament official.

All games that are tied at the end of the third period will be played until someone wins. 12 minutes will be placed on the score clock. Each sudden death overtime period will be 12 minutes. Points are not accumulated for being tied at the end of the 3rd period. 2 points for a win and 0 points for a loss.

Standings

- 1) First by the most points accumulated. If still tied then,
- 2) Head to head competition will determine which team advances when applicable. If still tied,
- 3) Goals plus/minus differential. If still tied,
- 4) Goals allowed. If still tied,
- 5) Fewest penalty minutes during the tournament. If still tied,
- 6) Coin toss

The ZERO Tolerance rule will be strictly enforced. Parents or coaches screaming or yelling (at players, Tournament or any Officials, on or off the ice) will be barred from the Arena for the duration of the tournament. Each team and coach has the responsibility to control their parents. Officials or Germain Arena Management will stop play to remove unruly spectators from the Arena.

The rules of the Arena will also be enforced – this includes a clean locker room. Any damage caused will be the responsibility of that team. If you would like to lock the door please take a set of car keys to the front desk located next to skate rental. Keys will be returned once rooms are checked and cleaned.
